

Book Title	ISBN	Standards addressed
Take A Backyard Bird Walk	0970975406	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 2 Regulation and Behavior: 1, 2 Life Processes and Technology Application: 2</p> <p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 1 Diversity and Evolution:1</p> <p>Standard 8: Ecology Interactions within the Environment: 2, 3, 4, 5 Energy Flow and Material Cycles in the Environment: 2</p>
Take A Tree Walk	0970975414	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 5: Earth's Dynamic Systems Interactions Throughout Earth's Systems: 2</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 1 Regulation and Behavior: 1 Life Processes and Technology Application: 2</p> <p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 3 Diversity and Evolution:1</p> <p>Standard 8: Ecology Interactions within the Environment: 1 Energy Flow and Material Cycles in the Environment: 1</p>
Take A Walk With Butterflies and Dragonflies	0970975422	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 2 Regulation and Behavior: 1, 2 Life Processes and Technology Application: 2</p>

		<p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 1 Diversity and Evolution: 1</p> <p>Standard 8: Ecology Interactions within the Environment: 2, 3, 4, 5 Energy Flow and Material Cycles in the Environment: 2 Human Impact: 1</p>
Take A City Nature Walk	0970975430	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 5: Earth's Dynamic Systems Interactions Throughout Earth's Systems: 2</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 2 Regulation and Behavior: 1, 2 Life Processes and Technology Application: 2</p> <p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 1 Diversity and Evolution: 1</p> <p>Standard 8: Ecology Interactions within the Environment: 2, 3, 4, 5 Energy Flow and Material Cycles in the Environment: 2 Human Impact: 1, 2</p>
Take A Beach Walk	9780970975447	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 5: Earth's Dynamic Systems Interactions Throughout Earth's Systems: 2</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 2 Regulation and Behavior: 1, 2 Life Processes and Technology Application: 2</p> <p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 1 Diversity and Evolution: 1</p> <p>Standard 8: Ecology Interactions within the Environment: 2, 3, 4, 5 Energy Flow and Material Cycles in the Environment: 2</p>

		Human Impact: 1, 2
Take A Cloud Walk	N/A	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 5: Earth's Dynamic Systems Components of Earth: 1 Interactions Throughout Earth's Systems: 6,7,8 Technology and Applications: 1</p>
Take A Wetlands Walk	9780970975461	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 5: Earth's Dynamic Systems Interactions Throughout Earth's Systems: 2</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 2 Regulation and Behavior: 2 Life Processes and Technology Application: 2</p> <p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 1 Diversity and Evolution:1</p> <p>Standard 8: Ecology Interactions within the Environment: 2, 3, 4, 5 Energy Flow and Material Cycles in the Environment: 2 Human Impact: 1, 2</p>
Take A Winter Nature Walk	9780970975478	<p>Grades 4 and 5</p> <p>Standard 1: Nature and Application of Science and Technology Understandings and Abilities of Scientific Inquiry: 1, 3,4,5,6 Science, Technology, and Society: 1 History and Context of Science: 1</p> <p>Standard 6: Life Processes Structure/Function Relationship: 1, 3 Matter and Energy Transformations: 2 Regulation and Behavior: 1, 2 Life Processes and Technology Application: 2</p> <p>Standard 7: Diversity and Continuity of Living Things Reproduction, Heredity and Development: 1 Diversity and Evolution:1</p> <p>Standard 8: Ecology Interactions within the Environment: 1, 2, 3, 4, 5</p>

		Energy Flow and Material Cycles in the Environment: 2 Human Impact: 1, 2
